

## Fantasy Item Pack

Fantasy Item Pack is a collection of item icons used in fantasy games Arcanbreak and For Evelyn by Kisuarts. All icons are designed to be used as inventory icons etc. but can be used otherwise. The pack contains both everyday and fantasy items.

This pack includes:

- 62 item icons (250 x 250px)
  - Everyday items (keys, coins, pouches, letters, etc.)
  - Alchemy components (potions, leaves, etc.)
  - Miscellaneous stuff (bombs, daggers, etc.)
